6. _____

Since our parent corporation has become a non-profit entity, we are now able to receive donations that are tax-deductible including funds for financial assistance. Those funds are very limited, and we ask that only those who have true financial need apply.

Financial assistance is only available for students who are registered for more than one class and only for “core” subjects (Math, Language Arts, Science, Elementary Workshop). Assistance will be awarded based on available funds and will not exceed ½ of the cost of the class(s).

After the application deadline, you will be scheduled for an interview where special circumstances can be further explained. *Upon approval of assistance, families are encouraged to volunteer at HomeLink. We can use help with office work, event assistance and sometimes classroom support.*
