### **ANCIENT HISTORY – Mrs. Katie Meinzinger**

Read "Story of the World" **Ch. 10: The Far East – Ancient China**

- Complete the Map Work for Ch 10 (*attached*). See instructions below:
  1. Find the **Yellow River** and the **Yangtze River**. Trace these rivers in blue.
  2. Lightly shade the **South China Sea** in blue.
  3. Color the area between the two rivers green. This is the **Yellow River Valley** where the first Chinese settled down and started to farm.
- Answer the following questions for Chapter 10 (younger students discuss them with parents or siblings, older students write down your answers.)
  1. Why is China called "the Far East"?
  2. The Chinese lived between which two rivers?
  3. Who was the emperor who united the small villages of China into one empire?
  4. What did Huang Di's wife, Lei Zu, discover?
  5. What is a dynasty?
  6. What are the picture-words that Chinese people use called?
  7. What crops did the ancient farmers of China grow?
  8. What kind of ground did the rice grow in.

**READING/LITERATURE** – Refer to the list of books given in class. Write down pages or chapters read. If you're using another Language Arts, Reading or Literature curriculum, please write that down instead.

**GRAMMAR/WRITING** – Work on 1-2 pages a day. Write the number of pages completed.

**SPELLING/VOCABULARY** – Choose the curriculum and level that fits your student. Complete 1 unit/list each week. Be sure to have your student practice spelling the words at least 3 times in written or oral form before testing.

**MATH** – A lesson a day is about the right pace for most math texts. Correct the math lesson soon after it is completed to give the student effective feedback. If problems are missed, have the student go back to correct them.

Write the number of lessons completed on the assignment sheet at the end of the week.
