READING/LITERATURE – Refer to the list of books given in class. Write down pages or chapters read. If you’re using another Language Arts, Reading or Literature curriculum, please write that down instead.

GRAMMAR/WRITING – Work on 1-2 pages a day. Write the number of pages completed.

SPELLING/VOCABULARY – Choose the curriculum and level that fits your student. Complete 1 unit/list each week. Be sure to have your student practice spelling the words at least 3 times written or orally before testing.

MATH – A lesson a day is about the right pace for most math texts. Correct the math lesson soon after it is completed to give the student effective feedback. If problems are missed, have the student go back to correct them. Write the number of lessons completed on the assignment sheet at the end of the week.

KATS Lesson Planner

Work on each subject every day. Check off the assignments when done.
