

HOMELINK YAKIMA

CONFIDENTIAL FINANCIAL ASSISTANCE APPLICATION

Application Deadline: August 31, 2024

Parents names _____

Students enrolled in HomeLink:

1. _____

2. _____

3. _____

Since our parent corporation has become a non-profit entity, we are now able to receive donations that are tax-deductible, including funds for financial assistance. Those funds are very limited, and we ask that only those who have true financial need apply. Assistance will be awarded based on available funds, and several conditions apply:

1. The student must maintain passing grades in all subjects.
2. If a class(es) is dropped, the amount of assistance will be adjusted.
3. Monthly tuition payments must be made in a timely manner.
4. Parents and/or students are *expected* to help with fundraising events.
5. Parents and/or students are encouraged to volunteer in various capacities during the school year (i.e., classroom help, event assistance, special projects, etc.).

Please note: Assistance will be reevaluated quarterly and may be discontinued if the above conditions are not being met.

After the application deadline, you will be scheduled for an interview before the first tuition payment is due.

Please list special needs, circumstances, or other helpful information. (This may also determine the amount of assistance given.)
