

HomeLink ART Class Assignment Sheet

September 24, 2024

Student's name _____
 Parents, Look over the work your child has finished this week and check off the assignments that are completed to the family's standard of quality.

REVIEW	Entry Task/quiz:	Classroom Lesson	In-class Activity
Week 3 Sept 24h	Elements of Art Quiz	Gestalt Theory	Gestalt Grid Drawing Activity!
Assignment due Tuesday Oct 1st:	<p><u>Return with your sketch book ONE drawing, worth 15 points.</u></p> <ul style="list-style-type: none"> ➔ Print a SQUARE photo of a family pet or favorite animal on a piece of paper that's at least 4"x4". If you can't print a picture from home, find a picture from a magazine you can tear out and use that. Measure it and crop it into a perfect square 4"x4". Next, using a pencil or pen and a ruler, divide the drawing in half vertically and horizontally, and then divide those sections into four squares, so there are 16 squares total. <i>*see the backside of this page for example.</i> ➔ In your sketchbook, outline a 6"x6", then break it up into the 16 squares. ➔ In each square, take your time and try to really copy every detail that you see in each square. Remember, being an artist has NOTHING to do with in-born talent, and everything to do with your choice to put time and effort into something. And when you break up a piece of work into smaller sections, it's less overwhelming and you find you are more capable and confident of accomplishing it!) <p><i>With time and practice, you can do anything you set your mind to! No more limiting beliefs! God made you a creative human being!</i></p>		

Parents, with your signature below, you verify that you have reviewed the week's-worth of work your child has completed.
