<b>REVIEW</b>	Entry Task/quiz:	In-class Activity	Classroom Lesson
Week 6 Oct 15:	Principles of Design QUIZ	'Young Lady, Old Woman' Exercise.  Present and Hang up our Optical Illusions!  2.) Begin Your Own Picasso Artwork	Pablo Picasso's Invention: CUBISM  Challenging our Perspectives!
<b>Assignment due Tuesday Oct 22:</b>	<ul style="list-style-type: none"> <li>• <u>Study Cubism and the example of Picasso's work &amp; then design your own Picasso work of art using an entire page in your sketchbook.</u></li> <li>• You can use Halloween symbols to inspire you - Pumpkins, Cats, Skeletons, etc!!</li> <li>• Focus on drawing shapes first, and use lines to combining multiple perspectives so that they cross over each other.</li> <li>• Use only 3-4 colors, using complementary colors to give contrast and drama.</li> <li>• Add some texture, pattern, and emphasis in your work.</li> <li>• <u>Be a rebel, and challenge reality as you or others see it with your art.</u></li> </ul> <p>Cubist artists reject realistic representation. Cubists deconstructed objects into fundamental geometric shapes, such as cubes, spheres and cylinders, and reassembled them in a composition far removed from reality.</p>
